## National Chengchi University Transcript Explanation

1. A numerical grading system is used by the university. For students who graduated prior to the 2016-17 academic year, a numerical grade is shown on both the Chinese and the English transcripts. The numerical grade is converted into a letter grade only on English transcripts for students who graduate after the 2017-18 academic year.

2. Score conversion rules for students who graduated in the 2016-17 academic year or earlier :

Score Range	80 and above	79~70	69~60	59~50	49 and below
